ANNUAL REPORT
OF THE
SELECTMEN
AND
OTHER TOWN OFFICERS
OF THE TOWN OF
NEWPORT, N. H.
FOR THE YEAR ENDING
FEBRUARY 15, 1917

The Argus Press, Newport, N. H.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Newport qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town of Newport on the second Tuesday of March next, at nine o'clock in the forenoon, to act upon the following subjects, namely:

Article 1. To elect three Selectmen, Town Treasurer and Town Clerk for the ensuing year.

Article 2. To elect a member of the Trust Fund Commission for three years, a Collector of Taxes, Road Agents and a Water and Sewer Commissioner and all other officers, agents, and committees necessary for the town business.

Article 3. To hear the reports of the Selectmen, Town Treasurer, Auditors and Committees heretofore chosen and pass any vote relating thereto.

Article 4. To raise and appropriate such sums of money as may be necessary for the payment of the town debt and defraying the interest thereon for the year ensuing and pass any vote relating thereto.

Article 5. To raise and appropriate such sums of money as may be necessary for the payment of town charges.

Article 6. To raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for cemeteries,

parks, commons and water works, and to improve the same and pass any vote relating thereto.

Article 7. To see if the town will vote to ask for State aid for the purpose of making permanent improvements on the highways and the maintenance of the same, raise and appropriate the necessary amount of money therefor and pass any vote relating thereto.

Article 8. To raise and appropriate such sums of money as may be necessary for building and repairing highways and building and repairing bridges and pass any vote relating thereto.

Article 9. To see what sums of money the town will vote to raise and appropriate for sidewalks, building and repairing the same, and pass any vote relating thereto.

Article 10. To see if the town will vote to oil the improved streets in the village precinct, appropriate money therefor, and pass any vote relating thereto.

Article 11. To see if the town will vote to build a concrete sidewalk from Sunapee street up Beach street to School street, also extend the sidewalk on School street from Richards school building to the proposed sidewalk on Beach street, raise and appropriate money therefor and pass any vote relating thereto.

Article 12. To see if the town will vote to recover with an asphalt or tar concrete top that portion of Main street between the railroad and the bridge, raise money for that purpose in such manner as the town may deem advisable and appropriate the same and pass any vote relating thereto.

Article 13. To see if the town will vote to permanently improve Elm street from Main street to the bridge in such manner as may be thought advisable, raise and appropriate money for that purpose and pass any vote relating thereto.

Article 14. To see what action the town will vote to take in regard to repairing the present bridge or building a new bridge across Sugar river at North Newport, raise and appropriate money

for that purpose in such manner as shall be voted and pass any vote relating thereto.

Article 15. To see if the town will vote to extend the sewer on Maple street from the present terminus of the sewer to Broad view (so-called) far enough to meet the requirements of that locality, provide and appropriate the necessary amount of money therefor and pass any vote relating thereto.

Article 16. To see if the town will vote to extend the street lighting system by installing new lights about town, raise and appropriate money for that purpose and pass any vote that may pertain to this matter.

Article 17. To see what sums of money the town will vote to raise and appropriate for the purpose of lighting the streets of Newport village and elsewhere about town and pass any vote relating thereto.

Article 18. To see what sums of money the town will vote to raise and appropriate for the new playground and pass any vote relating thereto.

Article 19. To see what sums of money the town will vote to raise and appropriate for the support of the Fire Department, for the purchase of new apparatus for the same, and pass any vote relating thereto.

Article 20 To see if the town will vote to extend the water and sewer systems to connect with the garage of Frederick Gamash, near Main street, appropriate money for the same and pass any vote relating thereto.

Article 21. To see if the town will vote to raise and appropriate the sum of one hundred dollars for the purpose of providing skating and coasting places for the winter of 1917-18, to be expended under the direction of the selectmen or a committee appointed by them and pass any vote relating thereto.

Article 22. To see if the town will vote to raise and appro-

appropriate the sum of one hundred dollars to defray the expenses of Memorial day exercises and pay the same to the quartermaster of Fred Smyth Post No. 10, Department of New Hampshire G. A. R.

Article 23. To see if the town will vote to appropriate the sum of three hundred and twenty-five dollars for the support of the Newport Cadet Band, provided the band give a series of open air concerts during the summer season, to be paid to the treasurer of the band at the discretion of the selectmen.

Article 24. To see if the town will vote to appropriate the sum of one hundred dollars for the support of the North Newport Cadet Band, and pay the same to the treasurer of the band at the discretion of the selectmen, providing the band give a series of open air concerts during the summer season.

Article 25. To see if the town will vote to appropriate money for the purpose of celebrating Old Home Day, provide the necessary agency for its expenditure and pass any vote relating thereto,

Article 26. To see if the town will instruct the selectmen to appoint a police force for service in Newport, designate the hours of service and pay for the same, raise and appropriate money for that purpose and pass any vote relating thereto.

Article 27. To see if the town will vote to authorize the selectmen and town treasurer to borrow money on the notes of the town in anticipation of taxes, fix the amount and pass any vote relating thereto.

Article 28. To see if the town will vote to allow a discount on taxes paid prior to June 15th and September 1st, fix the amount of such discount and pass any vote relating thereto.

Article 29. To see if the town will vote to raise and appropriate money for the purpose of making permanent improvements on Central street from Main Street to the railroad, designate the manner of raising the money for that purpose and pass any vote relating thereto.

Article 30. To see if the town will instruct the selectmen to purchase for the use of the Fire Department 1500 feet of rubber lined hose and other appliances and equipment necessary for the use of the department and raise and appropriate the money therefor, also to increase the pay of the firemen to \$24 (twenty-four dollars per year and sixty cents per hour for service and give the department the free use of the Town Hall three nights in the year.

Article 31. To see if the town will vote to grant the hospital the free use of the Town Hall two nights during the ensuing year.

Article 32. To transact any other business that may legally come before said meeting.

Given under our hands and seals at Newport, this 24th day of February, A. D. 1917.

\$455 56

Orphans Home	Franklin, care of orphans	\$163 00
--------------	---------------------------	----------

ELM STREET BRIDGE

At the town meeting March 14 1916 it was voted to replace the covered bridge on Elm Street by a new one and the sum of \$10,000,-000 was appropriated for that purpose. Storrs & Storrs, Bridge Engineers of Concord, N. H. were employed to make plans and

supervise the building of the bridge. Contractors were notified and plans submitted and eight bids received, Andrew Allen being the lowest bidder was awarded the contract for \$8,847.00. Unforeseen difficulties have added materially to the cost.

The bridge is practically complete except the finish to improve the looks of the structure, on account of the cold weather it was thought advisable to defer this until the warm season, \$400.00 of the contract price has been retained for that purpose. There will also be due Storrs & Storrs, Engineers, on the completion of the work, \$176.25.

Paid Andrew Allen on contract	\$8,237 25	
✓Paid Andrew Allen one half supervision	209 75	
Total paid Andrew Allen on contract		\$8,447 00
Add one half cost of supervision	209 75	
Storrs & Storrs, engineers	350 00	
Total cost of bridge on contract		\$9,006 75

Note. There is still due on contract to be paid on completion of the work as noted above \$576 25 making the contract price \$9,583 30.

EXTRA COST OF PIERS

✓Paid Andrew Allen labor, timber and concrete	678 08	
J. Denormandeau steam pump	214 67	
H Cutts labor with roller	50 50	
		943 25
Total cost of structure to date		9,950 00

RIP RAPPING RIVER BED

G. A. Wilmarth men and teams	75 00	
Bela Cutting men and teams and stone	72 00	
J. M. Barton, stone	7 20	
Andrew Allen labor	49 00	
		203 20

APPROACHES TO BRIDGE

Bela Cutting team and stone	6 50
-----------------------------	------

F. E. Newcomb Railings	\$12 93	
F. P. Rowell cement	31 05	
Andrew Allen men and materials	93 25	
J. McCarty with team	11 25	
		<hr/> 154 98

The cost of removing the old bridge was charged to general highway account as it has already been utilized for much more than the cost of removal.

BRIDGE ON ROAD TO SUNAPEE

F. P. Rowell, lumber for forms	\$33 56	
F. P. Rowell, 180 bags of cement	99 40	
A. V. Wright, self, men and teams	211 24	
Newport Lumber Co., lumber	1 47	
H. H. Chatfield, nails and paper	7 90	
Frank Welch, blacksmith work	6 27	
“ Use of team	75	
Andrew Allen, with men and machine	43 66	
Andrew Allen, sand and stone	18 50	
Andrew Allen, 600 lbs. steel	30 00	
Mrs. Mary Jones, gravel and right of way	8 00	
F. E. Newcomb, railing	51 25	
United Construction Co., steel beams	300 00	
		<hr/> \$812 00

SUNAPEE STREET REPAIRS

Andrew Allen, 1, 178 2-10 yds. asphalt road	1,531 66
Curbings to Canal street and Central street	770 58
Curbing and expense Robb's corner	742 25
193.3 yds. asphalt on Central street	251 29
Tar concrete side walk from Cheney st. to Canal st. 564 yds.	423 00
George A. Wilmarth, men and teams, grading and shaping sides and building gravel road	1,433 13

George A. Wilmarth, sloping and turfing bank	
Robb's Corner	\$74 75
Paid for loam	10 00
Mrs. Mary C. Jones, 654 loads of gravel	65 40
Loyal Barton, engineer and supervision	72 80
F. P. Rowell, 13 bags cement	7 80
Silsby & Johnson Co., railings	126 55
C. P. Riford, marking grade	14 50
Concord Foundry Company grates and bases	23 40
H. S. Cutts, work with roller	6 00
Bela Cutting, material	3 60
S. G. Robb, loam	10 00
F. P. Rowell, 35 bags of cement	19 25
P. P. Rowell, 1310 brick	20 96
F. P. Rowell, Akron pipe	5 17
	5,612 10

The Selectmen regret to report an expenditure above the estimate in this case. The principal reason for this is that the estimates were made for a much cheaper road, one without curbings or sidewalk, both of which seemed essential for a job that would be satisfactory, as the road from Cheney street up past the corner is quite narrow at the best it seemed important that the road at this point should be constructed in a way that the whole road might be utilized at all times. The old curbing was out of line and was renewed at quite a large expense.

WATER WORKS

Paid for water works	2,074 92
----------------------	----------

SEWERS

Paid for Sewers	\$1,960 09
-----------------	------------

Statement of the State Aid Construction and Maintenance Highways Report

To the Selectmen of Newport:

I herewith transmit a detailed report of the receipts and expenditures of the construction work on State Aid Roads and maintenance work on the Trunk line and State Aid Roads in the town of Newport for the year ending February 15, 1917.

As the work was done by the same men it was thought best to include the same in one item, together with the miscellaneous items to save repetition and give the cost of each division in a summary:

RECEIPTS

Received from the Selectmen by orders upon the Town Treasurer
as follows:

1916	
May 6	\$ 30.00

REPORT OF CEMETERY COMMISSIONERS

To the Citizens of Newport:

During the past year the total number of burials in town has been 75, of which 5 were in North Newport Extension, 16 in the Pine Grove Cemetery and the balance in the old Cemeteries.

Seven lots have been sold in the North Newport Extension for which \$142.50 has been received and six lots in the Pine Grove Cemetery from which \$145.00 has been realized.

The Perpetual care fund for the Pine Grove Cemetery now amounts to \$1,388.25 and an unexpended income of \$52.36. The Perpetual care fund of the North Newport Extension amounts to \$313.75 and an unexpended income of \$11.04.

The income from the above two funds can only be used for the care of the cemetery from which the funds originated.

The Improvement Fund of the Pine Grove Cemetery including interest amounts to \$1,009.89 and the Improvement Fund of the North Newport Extension \$132.65.

We wish to again call the attention of the voters to the Church Street, or westerly, entrance of the Maple Street Cemetery. If the town would appropriate \$600. toward the improvement of this entrance and the erection of a suitable wall, we have the assurance that an equal amount would be furnished by other parties and also that suitable wrought iron gates would be furnished for both the Church Street and the Maple Street entrances. We strongly urge that this appropriation be made.

We would also recommend that \$500., the same amount as for the last three years, be appropriated for the care of burials and general care of the cemeteries.

Respectfully submitted,

GEO. A. FAIRBANKS	}	Cemetery

Treasurer

BOARD OF HEALTH REPORT

Board of Selectmen:

Sirs:

Your Health Officer respectfully submits the following relative to the duties of his office.

There have been more contagious diseases during the past year than in any one year for the past five years, and we are at a loss to explain the causes of this condition.

The cases have not been consecutive, or in the same neighborhood at the same period of time. Cases of the same nature have appeared simultaneously at very divergent points, with no apparent medium of connection.

There have been during the year eight cases of diphtheria, four of scarlet fever, one of infantile paralysis, and one of typhoid fever. In each case we endeavored to give it the proper attention as directed by the state board, and at the termination of the case the rooms were thoroughly disinfected.

An improvement has been shown in the handling of milk. We have had a number of examinations made and the subsequent examination showed an improvement over the previous test, as to cleanliness and purity. Milk is a perfect food and all the laws that the states can enact to produce good milk should be passed, for it has been shown by observation of groups of children fed on milk containing small numbers of bacteria and large number of bacteria shows a higher death rate in the latter than in the former. High bacterial count indicate milk is either warm, dirty or stale. The bacterial count is an indicator of decency in milk entirely apart from its significance as an indicator of the safety of milk.

A milk with a high bacterial count justifies a health officer in condemning such milk.

The general sanitary condition of the town is satisfactory, except in two particulars, one of which is being remedied, namely the construction of a sewer on Greenhurst to relieve the stagnant surface water conditions existing there. This should greatly improve the sanitary situation in this part of the town.

The other unsatisfactory condition exists on Bradford Hill, so called, and Broadview Heights where there is no sewer system.

The demand for a betterment of the condition here is insistent and the town should at the earliest possible moment install a sewer system.

This section is being built up rapidly and is nearly as thickly settled as the more central portions of the town.

The condition caused by the existence of the so-called dry closets, open sink pipes and drains, in this section, is a constant menace to the sanitary well-being of the whole town. Immediate attention is imperative. It is hoped that at this town meeting money will be voted to put in sewer system here adequate to meet the growing needs of this part of our town.

The congested condition of our schools, with no immediate relief in sight for the coming year, is a matter of concern to all of us. Most of the rooms are filled to the fullest capacity allowed by law and in one or two rooms, this has been exceeded. This is a matter of grave moment and means should be devised to provide more rooms for the children of school age. Adequate volume of fresh air should be provided each child so that child may work to its full capabilities under the best sanitary conditions that can be provided.

Each year, as new phases tending to produce better living conditions are brought out, multiplies the demands on the health

officer and almost daily there are calls on him, for attention to different sanitary conditions in town.

Respectfully submitted,

JOHN R. KELLY
Health Officer

FIRE DEPT. REPORT

To the Citizens of Newport:

I hereby submit a report of the Fire Department for the year just closed.

During the year the department has responded to four bell alarms, 18 still alarms. We have been fortunate during the year as regarding forest fires, there being no calls.

During the year there has been installed two new fire alarm boxes and two relocated. There is still a need of an extension of the system, and I recommend the purchase of two new boxes the coming year.

The department is well organized and have been prompt and efficient upon all calls. There is a necessity of replacing some equipment which has been worn out, a statement of which will be submitted to the annual meeting of the town.

GEO. E. LEWIS,
Chief Engineer

WATER PIPE EXTENSIONS, HOUSE SERVICES, HYDRANTS AND GATES

The only street water pipe extension during the year has been on South street, where 94 ft. of 1 1/4 and 17 ft. of 1 inch pipe has been laid to convey water to the house of Irving W. Rowell, at a cost of \$58.11

Service pipe has been laid to twenty houses, furnishing water to twenty-seven families.

One additional hydrant has been set on the south end of Laurel street near the home of Ernest A. Robinson.

The paving and rebuilding of Sunapee street necessitated a change of a few feet in the location of the hydrant at the junction of Central and Sunapee streets; also of the one on Sunapee street at the head of Cross street. Six inch gate valves were set on the leads of these two hydrants. A six inch gate valve has also been set upon the lead of the hydrant located at North Main street water tub.

At the request of the W. H. McElwain Company the hydrant opposite the shoe factory has been moved about 125 ft. nearer to Cross street, the above-named party paying the entire expense of removal.

The cost of one new hydrant, three 6 in. gates and boxes and setting the same, the pipe extension on South street, together with the town's portion of the expense of putting in service pipe connections, amounts to \$287.83. But as material previously purchased to the amount of \$150 has been used and sold, the increase in the cost of the water works system for the past year amounts to but \$137.83.

Five lead goose necks have burst, which have been replaced by new connections. One hydrant on Summer street was found broken, requiring a new barrel. The most serious break of the year occurred Jan. 30th, near the North Main street water tub. The 6 in. pipe extending from the main to the hydrant broke squarely off,

allowing much water to flow over the meadow. By reason of the great depth of frost it was difficult to locate the trouble and make needed repairs.

Cement Lined Pipe

There has been laid of one-inch cement lined pipe	1005 feet
Of one and one-fourth in. cement lined pipe	94 "
Adding that previously laid	65,273 "
the total becomes	64,372 "

Cast Iron Pipe

Adding 12 ft. 6 in. cast iron pipe to that previously laid the present amount in the system is:

4 in. pipe	5,009 feet
6 in. pipe	62,963 "
8 in. pipe	33,348 "
10 in. pipe	4,825 "
12 in. pipe	1,255 "
Total	107,400 "

Gate Valves

There are upon the entire system :

4 inch valves	30
6 inch valves	78
8 inch valves	17
10 inch valves	4
12 inch valves	3

Total 132

Hydrants

Hydrants owned by town	87
Hydrants owned by private parties	7

GILMAN POND

But a small amount of money has been expended at the pond.

Flash boards and bags of sand held twelve inches of water above high water mark in May and June. At no time has the water been one foot below level of permanent waste way. Because of high water the vote of the town at previous meeting authorizing the Water Commissioners to raise the height of the waste way eighteen inches has not been carried into effect. Water is now at the top of waste way.

SEWER CONSTRUCTION

GREEN ROAD

At the Annual Town Meeting, held in March last, the Sewer Commissioners, under the supervision of the board of Selectmen, were authorized and instructed to construct a sewer and surface drain from Green road, Middle and Dale streets to Sugar river.

On account of the large amount of water standing upon much of the land across which pipes were to be laid, work was not begun until August .

By reason of scarcity of help, obtainable at reasonable prices, the system has been but partly constructed. There has been laid about 550 ft. of 12 in. pipe, 835 ft. of 8 in. pipe, 650 ft. of 6 in. pipe. Green road and Dale street have been completely piped for house sewers. Of the twelve houses on that line seven have been connected with the sewer. The surface drainage pipe was so left at the close of the season that there should be no accumulation of surface water the coming spring. There has been expended on this structure, including about 500 ft. of 10 in. pipe, not laid, and grates and lamp hole covers on hand, fourteen hundred thirty dollars and thirty-eight cents (\$1,430.38). The sum voted by the town for the construction of that system was three thousand dollars (\$3,000).

SUMMER STREET

To furnish sewer connections for the two houses erected by Levi Morin and J. A. Morin, 60 ft. of 6 in. sewer pipe has been laid at an expense of thirty-eight dollars (\$38.00).

CANAL STREET

To furnish sewer connections for the house erected by Walter Kempf the 6 in. pipe line was extended 14 ft. at an expense of \$4.85.

HOUSE CONNECTIONS

Eighteen houses, furnishing accommodations for twenty-five families, have been connected with sewer mains.

SUMMARY

Expended for labor and material on Greenhurst system	\$1,430 38
Expended on Summer street	38 00
" Canal "	4 85
" on house connections	113 33
Maintenance and repairs	375 03

R. T. MARTIN		

SCHOOL WARRANT

To the inhabitants of the school district in the town of Newport qualified to vote in district affairs:—

You are hereby notified to meet at the town hall in said Newport on Saturday, the tenth day of March next, at 2.00 o'clock in the afternoon, to act upon the following subjects:

Article 1. To choose a moderator for the ensuing year.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To choose a member of the school board for the ensuing three years.

Art. 4. To choose a treasurer for the ensuing year.

Art. 5. To choose agents, auditors and committees in relation to any subjects embraced in this warrant.

Art. 6. To determine and appoint the salaries of the school board and other officers of the district.

Art. 7. To hear the reports of the school board, treasurer, auditors, officers and committees heretofore chosen or appointed, and pass any vote relating thereto.

Art. 8. To see what sums of money the district will vote to raise and appropriate for building and repairing school houses and out-buildings, as the needs of the district may require, and provide suitable furniture and apparatus and needful conveniences therefor, and pay for insurance of property of the district from loss by fire, and for the support of schools, and pass any vote relating thereto

Art. 9. To see what sum of money the district will vote to raise and appropriate for medical inspection in the schools, and pass any vote relating thereto.

Art. 10. To see what action the district will take in regard to the continuance of the Kindergarten the ensuing year, and pass any vote relating thereto.

Art. 11. To transact any other business that may legally come before said meeting.

Given under our hands and seals at Newport this 23rd day of February, 1917.

GEO. A. FAIRBANKS,	}	School Board
FRED T. POLLARD,		of
D. SIDNEY ROLLINS,		Newport.
